Subject: Pamphlet on NPS Videos Hosted on YouTube
Attachments: NSDL_Youtube_Leaflet_-_1.jpg; NSDL_Youtube_Leaflet_-_2.jpg

Dear Sir/ Madam,

Over the years NSDL- CRA has taken various initiatives to educate Nodal Offices across Governments on the Functional and Operational aspects of NPS empowering them with the ability to conduct day-today operations. These initiatives include regular handholding in the form of training programs, Workshops, Video Conferences etc. Further, Standard Operating Procedures, FAQs, Self-Running Demos, Process Flows etc. are also available for reference.

As a part of our digital outreach initiatives, we at NSDL-CRA have started our YouTube channel ***NSDL-NPS Ki Pathshala*** to disseminate information about NPS amongst Nodal Offices and Subscribers. We have hosted videos related to operations performed by Nodal offices, Advantages / Benefits under NPS, etc. which provides comprehensive understanding of NPS from Nodal Office as well as Subscriber perspective. The topics for these videos are conceptualised based on the queries and feedback received from Nodal Offices/Subscribers during Meetings/ Trainings/ Workshops/ Subscriber Awareness Programs (SAPs) etc.

You are requested to visit the aforementioned channel and view the videos and also subscribe to the channel. It is also requested that such videos are shared among your colleagues and associated Subscribers. These videos are also available on the CRA website at the following URL:
<https://npscra.nsdl.co.in/video.php> .

Further, we are enclosing a leaflet (.jpg copy attached) containing details of 22 such videos hosted on our YouTube channel ***NSDL- NPS Ki Pathshala*** . We request you to distribute these leaflets among associated Subscribers requesting them to visit our YouTube channel and get all the information about NPS. The leaflets can also be distributed among colleagues, friends and family members so as to reach out to maximum people. As a Nodal Office/Oversight Office, you may also host these leaflets on your website, so that it can be downloaded at any point of time by individual subscriber.

Thanks and Regards,
