

## **(28.1) Transfer TA**

### **(28.1.1) Transfer T.A., joining time and joining time pay temporary Council Servants.**

The question regarding the admissibility of Transfer T.A., joining time and joining time pay to temporary Council servants on their appointment to the same or higher posts in any of the National Laboratories/Central Office as a result of public advertisement and recommendations of the Selection Committees/Competitive Test has been under consideration of the Council for some time past.

After a careful consideration of the problem and in consultation with the Financial Adviser to the CSIR, it has now been decided that on the analogy of Government of India decision No. (7) below F.R. 105, such temporary Council Servants who have rendered three years' service and would have been eligible for being declared quasi-permanent, had this scheme been adopted in the CSIR, would be entitled to Transfer T.A., joining time and joining time pay, on their appointment to posts in the National Labs/Central Office either on the results of competitive examination, which is open to both Council servants and others or after an interview for appointment to such posts.

The cases of such temporary Council servants not satisfying the above condition of eligibility will however, continue to be governed by Govt. of India decision No. 1 (b) below S.R. 114.
