D.O. No. RT-25029/01/2020-RS-Part(8)

31ST December, 2020

मा. दूरदर्शन जी,

I wish to convey that each year, Ministry of Road Transport and Highways organizes National Road Safety Week all over the country. Due to importance of the matter, "National Road Safety Month" is being observed this year under the aegis of Ministry of Road Transport and Highways, from 18th January, 2021 to 17th February, 2021 in order to create awareness among general public to improve the safety on road and to give an opportunity to all stakeholders to contribute to the cause of road safety. Schedule of activities is attached.

As you may be aware, in order to rope in the people's representatives also to substantially contribute to this cause of road safety, my Ministry had earlier constituted a "Member of Parliaments' Road Safety Committee" in each district of the country to promote awareness amongst road users under the Chairmanship of respective Hon'ble Member of Parliament (Lok Sabha).

A letter has also been written to all State/Union Territories to ensure the active involvement of all the concerned agencies at State & district levels and it is also advised that the District collectors stay in touch with you to solicit your convenience for scheduling a meeting of the Committee during the month.

I would appreciate if you could take time out of your busy schedule to meet with the district authorities to convene a Special Meeting of the Committee under your Chairmanship during the Road Safety Month, and participate in the events with themes, slogans and activities in your constituency, and give your valuable guidance in organizing various awareness raising activities that would help put road safety in the spotlight and persuade road users and stakeholders that road safety is a key issue for everyone.

Further, you are also requested to observe the National Road Safety Month in your Ministry to further advocate this cause among the employees through various activities such as Road Safety pledge (Annexure-II), pamphlets/banners at prominent location in your Ministry's premises etc. which would provide support to this Nationwide endeavour.

With regards

Enc: As above

Yours,

(Nitin Gadkari)

Dr. Harsh Vardhan

Hon'ble Minister of Health & Family Welfare, Science & Technology and Earth Sciences
