

## Indo-German Science & Technology Centre (IGSTC)

**Open Call for Indo-German Bilateral Workshops:** The Indo-German Science & Technology Centre (IGSTC) invites proposals for organising Indo-German workshops on areas of mutual interest with an aim towards creating platforms for substantive interactions between scientists / researchers from academia and industry. The workshops have to take place in India or in Germany and to be designed around a specific research topic out of thematic areas relevant to both DST and BMBF, which includes the thematic areas of 2+2 project calls. Any other relevant topics of very high importance may also be considered. Proposals with a potential for generating follow up activities including joint projects are preferred. Training workshops as well as meetings between two institutions do not fall under the scope of this call.
