Dear Dr. Harsh Vardhan Ji

Khadi is the Heritage Fabric of India. It is providing huge employment opportunities to lakhs of rural artisans in the country. Gandhi Ji had propagated the concept of Khadi to economically empower the poor. Hon'ble Prime Minister, Shri Narendra Modi Ji has made a fervent appeal on various occasions exhorting all countrymen to buy Khadi products and to support rural artisans. Khadi is getting wide acceptance in the society through various initiatives of the Government and involvement of common people. However, much more still remains to be done for the popularization of Khadi.

I take this opportunity to request you to appeal to the employees of your Ministry and Subordinate Organizations to support and wear Khadi voluntarily for one day in a week. This will go a long way in promoting Khadi and to support Khadi sector and the rural artisans, who will get sustainable additional employment.

With regards,
