### Circular No. 10/09/16-(III)

**Subject:- Observance of Vigilance Awareness Week, 2016.**

Central Vigilance Commission had through its circulars of even number dated. 19.09.2016 and 23.09.2016 issued instructions for observance of Vigilance Awareness Week this year, from 31<sup>st</sup> October to 5<sup>th</sup> November, 2016. The theme for the Week is "Public participation in promoting Integrity and eradicating Corruption".

2. As a part of the activities suggested by the Commission to be conducted within the organisations as well as the outreach activities for public/citizens, in line with the theme this year, the Commission desires that concerted efforts be made to reach out to the college and school students who have an important role to play in promoting integrity as well as in eradication of corruption.

3. During the Vigilance Awareness Week last year, competitions and activities for college and school students were conducted by various organisations on a grand scale reaching out to about 1600 colleges and 2300 schools in over 400 towns/cities across the country. Encouraged by the response of the activities held last year, the Commission desires that this year also, all organisations may conduct various activities such as lectures, panel discussions, debates, quiz, essay writing, slogans and poster competitions on moral values, ethics, good governance practices, etc. for inculcating greater awareness on corruption and anti-corruption measures for ensuring active participation of students of colleges / schools including professional colleges / institutions across the country and also to distribute prizes.

4. The Commission would, therefore, request all CPSEs / Public Sector Banks, Public Sector Insurance Companies and other organisations to organise activities as aforesaid in at least 3 colleges and 2 schools in every city / town wherever the individual organisation has substantial presence / operational offices / field offices / branches. An indicative list of cities / towns, etc., for coverage across the country by the Organisations concerned is enclosed as Annex-A and B. The list is only an indicative one, and organisations are free to cover and conduct activities in as many schools and colleges in towns / cities.

50 (3)  
26/09/16

5. The Commission desires that the CVOs of the Organisations to coordinate and conduct the activities so as to reach out to a large cross-section of students / youth across the country.

6. This notification is also available on the Commission's website at <http://www.cvc.nic.in>.
