PREFACE

The recruitment to S&T posts in CSIR is being done on the basis of qualification and experience laid down for each post. The selection/screening committee are constituted as per provision in the old bye-laws continued by the Governing Body at its meeting held on 22.12.1989. Thus there was no single document, which contained comprehensive Rules for recruitment of S&T staff. The new Bye-laws operative now authorized the Governing Body to frame a detailed scheme for recruitment of staff of all categories.

Thus, it was necessary to review the existing recruitment rules and guidelines and formulate a comprehensive set of rules covering all aspects of recruitment and selection. Keeping this in view a document entitled CSIR Service Rules 1994 for Recruitment of Scientific, Technical and Support Staff” was formulated and approved by the Governing Body of CSIR at its 133rd meeting held on 12.1.1994. This document contains rules relating to various aspects of recruitment and selection including minimum qualifications and experience for each post, procedure for notification of vacancies, screening of applications, constitution of selection /screening committees, selection procedure to be followed for “appointing authorities” for different posts.

I hope this document will prove helpful both for those dealing with recruitment and selection and for the S&T staff.

Sub:- CSIR Service Rules for Recruitment of Scientific, Technical and Support Staff-Clarification Reg.

Consequent on issue of above CSIR orders on the subject "CSIR Service Rules for Recruitment of Scientific, Technical and Support Staff" various doubts were raised on the operation of these orders. The doubts are clarified below Sl. Nos 1 to 8. with reference to the said orders. Subsequent modifications so far made have been incorporated in the relevant portion of the rules.

Points raised	Clarification
1. Whether the percentage of marks prescribed and restriction of age applies to sons and daughters of deceased employees of CSIR for their appointment on compassionate grounds.	1. There is no provision for relaxing the age limit and percentage of marks in the case of dependants of deceased employees of CSIR in the new rules.
2. In case candidates possessing higher qualifications than the prescribed minimum qualification apply against an advertised post, can percentage of marks prescribed on minimum qualification be ignored ? For instance, if a diploma holder who has less than 50% of marks in SSC applies against Gr. 11(1) post, can he be considered?	2. A candidate applying for a post in any Grade/Group must possess the basic qualifications laid down in the rules.
3. One of the qualifications prescribed for Gr.II is SSSC/HSC/12 th <u>with relevant technical subjects</u> . This needs to be clarified as at the level of 12 th standard specialised subjects like 'Mechanics', and 'Electronics' may not form part of curriculum in some states.	3. The present day curriculum of SSSC/HSC/12 th class in most of the states include in some specialised subjects like 'Computer Science' / 'Electronics', 'Mechanical Drawings' etc. However, if there is any difficulty in getting candidates in a particular trade with the specialised subjects, there may not be getting candidates with the qualification of "SSC/10 th standard with 50% marks in the aggregate and ITI certificate of 2 years duration in the relevant trade".

4. Can the diploma awarded by the training institutes of Indian Air Force and other similar institutions, which are strictly not of three years full time duration but are recognized by Govt, of India as equivalent to Diploma in Engineering for the purpose of appointment to subordinate services, be accepted as a prescribed qualification for appointment in Group III.	4. DG, CSIR, had constituted a Committee to look into to various aspects of equivalence of qualification. The final decision as & when received will be communicated.
5. Presently the Medical Officers in the dispensaries of national labs./institutes are appointed in Group III. However, the qualifications of MBBS or equivalent are not included as a prescribed qualification for appointment in Group III, but the same has been included as a qualification for appointment in Group IV. This may kindly be clarified.	5. The scientific staff, who are engaged in R&D activities and are expected to generate new knowledge/techniques etc. are placed in Group IV whereas the 'Medical Officers' in dispensaries are not engaged in any R&D activities of the laboratory and as such have been kept in Group III. As far as the qualification aspect as pointed out by the laboratory is concerned, it is covered under the term 'equivalent' qualification prescribed for recruitment to Group III.
6. Some of the qualifications like. M.Com.M.A. (Statistics), M.A .(Economics) and ICWA which are relevant to the activities of PME cells in the laboratories and professional degrees like M.B.A. which are relevant to the marketing activities of the laboratories and qualification like D.Pharm and B. Pharm which are relevant to dispensaries maintained by laboratories are not included in any group. Can people with the above qualifications be considered for appointment a. against scientific & technical posts.	6. The qualification laid down in the Recruitment Rules have been prescribed keeping in view the broad areas of work of CSIR labs./institutes; if a particular qualification has not been indicated in the rules and if it has not been treated equivalent to the prescribed qualification the matter may be referred to CSIR with the recommendation of the RC of the laboratory
7. Whether the period spent for M.S. and Ph.D. by research can be considered as	7. The period of experience in discipline/area of work, where

R & D experience for computing the period of experience prescribed.	prescribed, shall be counted after the date of acquiring the educational qualifications for the group/grade. Therefore, the period spent for M.S and Ph.D. by research will but be counted as experience prescribed for recruitment to a post.
8. Although the rules provide for a screening committee, the composition of the screening committee i.e. the number of members in a Screening Committee etc. have not been specified in the rules.	8. As for as composition of the screening committee is concerned the guidelines issued vide CSIR letter no. 2 (Misc)-Rectt./90-R&A dated 21st July 1993 may be followed

As regards your query – whether selection can be made if there is only one candidate; your attention is invited to Rule 10.2 of the CSIR Service Rules, 1994 for recruitment of Scientific, Technical and Support Staff which provides that as far as possible a minimum of 3 candidates per post should be requested to take action accordingly.

The condition of 65% marks will apply to all the qualifications prescribed for recruitment to Group IV i.e. First Class M.Sc./First Class B.E./M.B.B.S./M.V.Sc. or it would apply only to equivalent qualifications.	The condition of 65% marks will apply to all the qualifications mentioned in the Rules for recruitment to Group IV posts i.e. First Class M.Sc./First Class B.E./M.B.B.S./M.V.Sc. as also to the recognised equivalent qualifications. Sub:- CSIR Service Rules, 1994 for Recruitment of S&T and Support staff.

I am directed to refer to Rule 8.3 of CSIR Service Rules, 1994 for Recruitment of S&T and Support Staff, which reads as follows-

“Relaxation in age limit, qualification and/or experience in case of exceptionally meritorious candidates (both departmental and outsiders) would be allowed with the prior approval of the Governing Body of CSIR”.

The matter regarding formulation of guidelines/methodology for seeking relaxation had been under consideration for quite sometime. The DG.CSIR has now been pleased to lay down the following guidelines for seeking relaxation in age limit, qualification and/or experience before a candidate is called for interview/personal discussion : -

1. The advertisement issued for the post should invariably include a clause that relaxation in age limit, qualification and/or experience will be allowed only in case of exceptionally meritorious candidates.
2. The case of a candidate for seeking relaxation should be referred only if he had been found

to be exceptionally meritorious as evidenced from his academic record and his achievements/work. The proceedings of the Screening Committee and the bio-data of the candidate should clearly establish and convince that the work of the candidate and his achievements had been of high quality.

3. After the Screening Committee has recommended a candidate, as mentioned above, his case may be sent to CSIR Hqrs. along with synopsis and a copy each of the bio-data/applications of the candidates considered by the Screening Committee as also a copy of the advertisement for the post, with the specific recommendations of the Director of the Lab./Instt. justifying relaxation in the case.

4. On receipt of the case of proposed relaxation as mentioned above, the matter will be examined administratively at CSIR and if DG.CSIR feels that this is a fit case for seeking relaxation, then the matter may be placed before the Governing Body for its consideration.

You are requested to kindly follow these guidelines while seeking relaxation in terms of Rule - 8.3 of the Recruitment Rules.

I am directed to draw your attention to this office letter of even number dated 11.5.1992 and DO dated 7.7.1995 from the DG, CSIR forwarding a format for making appointment under the externally funded projects and to state that keeping in view the fact that security reasons verification of character and antecedents is a pre-requirement for appointment of staff as per instructions issued by the Govt. of India, it has been approved by the competent authority that this pre-appointment formality should also be completed in respect of the persons engaged for the externally funded projects. It has accordingly been decided that the following clause may be inserted below para 7 of the said format:- (c) Verification of character and antecedents from competent authority. It is, therefore, requested that the above clause may invariably be

incorporated in the offer of appointment to be issued to the persons to be engaged under the externally funded projects and character and antecedents should be got verified through detailed or simple verification procedure, as the case may be, in accordance with the instructions issued by the GOI on the subject from time to time. Sub:- Verification of Character and antecedents—clarification

In continuation of this office letter of even number dated 16.5.1996, I am directed to state that as per GOI instructions on the subject mentioned above, for the non sensitive projects, the procedure for prior detailed verification of character and antecedents could be initiated simultaneously with selection of persons concerned(such as getting the Attestation Form filled and sending it to the concerned authorities for verification), and the appointment may itself not wait till the result of the verification of character and antecedents. In cases where the adverse finding is reported, termination simplicitor is resorted to before the completion of probation. (Since the persons on sponsored project are engaged on contract without any probationary period, the services of concerned persons engaged under such project may be dispensed with immediately on receipt of the adverse report from the concerned authorities). No reference should be made in the order to police Report etc. However, for the sensitive Projects, the procedure of prior detailed verification has to be followed scrupulously. The above instructions may kindly be kept in view while engaging persons under the externally funded projects, in the interest of timely completion of the time targeted sponsored projects. However, the appointment against the vacancies be made only after completion of all the pre-appointment formalities including verification of character and antecedents.

I am directed to state that consequent upon the reduction of the probationary period in respect of Group-IV staff from two years to one year as per decision notified vide this office circular letter of even number dated 9.10.1997, a proposal for reducing the probation period in respect of Group-III staff also to one year with a view to bring uniformity in the matter of keeping the employees on probation on their first appointment to any CSIR post was placed before the Governing Body. The matter was considered by the Governing Body of CSIR at its 145th meeting held on 27.7.1998 and approved reducing the probationary period in respect of Group-III staff to one year. It is requested that the above decision may kindly be brought to the notice of all concerned in your Lab./Instt. for their information, guidance and necessary action.

Sub:- Placement of staff on probation.

In continuation of this office circular of even number dated 27.11.98 on the above subject, I am directed to clarify that in respect of Group III staff who are presently on probation of two years, the period of the probation will be restricted to one year from 27.11.1998 or till the date of completion of two years., whichever is earlier, extendable, if considered necessary, in conformity with the prevailing system applicable to other categories of staff in CSIR.

It is requested that the above clarification may kindly be brought to the notice of all concerned in your lab/Instt. for information, guidance and necessary action.

Sub:- Grant of pay scale to the Draughtsman – clarification.

I am directed to state that reference are being received from some of the Labs./Instts. seeking clarification regarding grant of pay scale of Rs.425-700 to the Draughtsman) who were appointed/promoted as Sr. Draughtsman in the scale of Rs-380-640 after 1.1.73, in terms of CSIR circular No.17(63)/73-E.II/Vol.XIV, dated 26.5.88.

The matter has been considered and it is clarified that in terms of CSIR circular No.17(63)/73-E.II/Vol.XIV, dated 26.5.88, only those Draughtsman who were in the scale of Rs.205-280 prior to 1.1.73 and were placed in the scale of 330-560/380-640, were to be given the scale of Rs.425-700 notionally from 1.1.73 and actually from 1.9.87 in pursuance of GOI, MF OM dated 11.9.87. The above benefit is not admissible to the CSIR employees who were appointed/promoted as Sr. Draughtsman in the scale of Rs.380-640 after 1.1.73.

In the above context it may also be mentioned here that the Hon'ble Supreme Court in the case of a Draughtsman of one of the Labs. of CSIR has held that CSIR is not bound to adopt all the recommendations of the Third Pay Commission and it is not material if the Central Government accepted the recommendations of the Third Pay Commission. CSIR is an independent body. Principle of law which has been settled by this Court in string of judgments is that different scales of pay can be granted based on experience and merit to the employees working in the same grade. Classification based on experience is valid. An employee having more length of service is certainly better equipped to perform his duties of an office than a relatively new employee. Further it was also observed by the Apex Court that the Respondent (Draughtsman in CSIR) is better placed than the Draughtsman in Govt. service to whom principle laid down in P. Savita's case is made applicable i.e. Draughtsman who were in the pay scale of Rs.205-280 prior to 1.1.73 and were placed in the scale of Rs.330-560 be given the scale of Rs.425-700 notionally from 1.1.73 but actually from 1.9.87. In view of this observation, the Hon'ble Supreme Court held that Tribunal was not right in holding that CSIR violated the principal of equal pay for equal work and decided the case in favour of CSIR.

It is requested that the above clarification may kindly be brought to the notice of all concerned in your Lab./Instt. for information, guidance and necessary action.

Sub:-Reclassification of non-technical posts as technical.

I am directed to state that the Governing Body of CSIR at its meeting held on 6.10.78 had approved the classification of staff of CSIR and its National Labs./Instts. in three categories i.e.

scientific, technical and administrative. At the same time the Governing Body had authorized the DG, CSIR, to classify the positions which may not have been included in the list of posts classified by it in appropriate category, with the condition that the Purchase & Stores as well as Civil Engineering and Architectural personnel and various social/community service posts such as Doctors, Nurses, Compounders, Teachers etc, are to be classified as "Administrative" and not "Technical". However the then DG, CSIR on the recommendation of a Committee constituted by him approved classification of Civil Engineering and Architecture personnel and certain other social community service posts, such as Doctors, Nurses, Compounders etc. also as Technical as notified vide CSIR letter Na. 17(65)1/78-E.II (Cte) Vol.IV, dated 7.12.82. This was pointed out by the Comptroller & Auditor General of India in its report on Manpower Audit of CSIR.

The matter was therefore, placed before the Governing Body at its meeting held on 29.12.98 for ratification of the decision of the DG, CSIR. The Governing Body ratified the decision of the DG, CSIR for classification of these posts in respect of appointments made in the past. As regards the classification of the said posts for future appointments, the Governing Body desired that the issue should be referred to a Group for making necessary recommendations for its approval. In pursuance of the decision of the Governing Body a group has already been constituted by the DG, CSIR to consider the issue.

In the light of the above decision of the Governing Body, the competent authority has decided that any fresh recruitment for the concerned categories of posts (i.e. Civil Engineering/Architectural, Doctors, Nurses, Compounders, Teachers etc. may be kept in abeyance till the final decision of the Governing Body about their classification.

The above decision may kindly be brought to the notice of all concerned for information, guidance and compliance.

Sub:- Recruitment of S&T and Support Staff.

We have been receiving proposals for relaxation in age limit/qualification and/or experience for the various posts advertised by the Labs/Instts. of CSIR. Such proposals are routinely forwarded to CSIR for approval of the competent authority; for relaxations with little or no justification for the same. Before the grant of relaxation, all aspects of the proposal are examined and only in case of "exceptionally meritorious candidates", the Director-General, CSIR may allow relaxation. Further, where sufficient number of candidates, say five or more per post, are available, relaxations are normally not agreed to. Again, the relaxations permitted are only marginal and proposals for large scale/extensive relaxations in matters concerning age, experience & qualifications are generally not acceded to.

The above guidelines may be kept in view while forwarding proposal for relaxations in age/experience/qualifications and also specifically brought to the notice of the Selection/Screening Committees constituted for the purpose.

Sub:- Procedure for conducting of examinations for recruitment Purposes Clarification reg.

I am directed to state that as per circulars issued by CSIR in the past, appointment of examiner for conducting the examinations/tests for recruitment purposes should be made from the relevant State/Central Government recognized institutions only and that In no case the departmental officers should be entrusted the work relating to such examinations.

Instances have come to the notice of CSIR where these Instructions are not being strictly followed by some of the Labs/Instts. in as much as they are assigning the task of paper setting and evaluations etc. to the departmental CSIR officers resulting in complaints/ allegations of

unfairness and favoritism.

The matter has been considered and it has been decided with the approval of the competent authority that henceforth for conducting any examination wherever the same has been prescribed under the rules for recruitment to direct as well as departmental quota posts in CSIR system, the Job of paper setting and evaluation of answer sheets should invariably be assigned to the outside experts in the relevant disciplines from the State/ Central Govt. recognized educational/professional Institutions only.)

It is requested that the above decision may kindly be brought to the notice of the all concerned in your Labs/Instts. for their information, guidance and strict compliance.

Sub:- Relaxation of age limit in direct recruitment in respect of candidate belonging to SC/ST/OBC categories -reg.

I am directed to state that recently one of the Laboratories had raised a point of doubt whether the age relaxations provided for SCs/STs & OBCs in direct recruitment as per rules / instructions issued by the GOI from time to time is available to applicants belonging to reserved communities irrespective of post being reserved or not.

The matter was referred to the Government of India , DOPT who have clarified that action be taken as per the instructions contained in GOI, DOPT OM No. 36011/1/98-Estt (Res) dated 1.7.98 (order No. 47 of Swamys Compilation on Reservations & Concessions for SCs/STs) wherein it is stated that when a relaxed standard is applied in selecting an SC/ST/OBC candidates, for example in the age limit, experience, qualification, permitted number of chances in written examination, extended zone of consideration larger than what is provided for general category candidates, etc., the SC/ST/OBC candidates are to be counted against reserved vacancies. Such candidates would be deemed as unavailable for consideration against unreserved vacancies, In other words, relaxation in age limit.etc, is available to SC/ST/OBC candidates only in those cases where the posts are reserved for the respective communities i.e. SC/ST/OBC and that the same should be clearly mentioned at the time of release of advertisement.

It is requested that these instructions may kindly be brought to the notice of all concerned for information/guidance & necessary action.

Sub:- Amendment to CSIR Service Rules, 1994 for Recruitment of Scientific, Technical and Support Staff and CSIR Administrative Service (R&P) Rules 1982.

I am directed to state that as per decision of the Governing Body based on the Hon'ble Supreme Court directions notified vide CSSIR Circular letter No.No.2(28)/9t-E.II 6.12.1995 all posts in Gr. C, D and Gr. I & II are to be filled up only from amongst identified CSIR Casual Workers under Schemes 1990 and 1995 and no recruitment to such posts is to be made from outside candidates.

However, it is noted that the amendment to the recruitment rules as notified vide CSIR Circular Letter No.2(RR-IV)/2001-R&A dated 12.2001 is being misunderstood and after issuance of the said amendment some of the Labs./Instts. have issued open advertisements for the posts of LDC, etc for making recruitments from outside candidates, which is against the CSIR decision cited above.

In this connection, it may be clarified that the amendment issued vide circular letter dated 7/10.12.2001 is applicable only to those posts which are permitted to be filled up directly from outside candidates and not to Group C, D and Groups I & II posts which are still to be filled up only from amongst the identified casual workers.

It is requested that the above decision may kindly be brought to the notice of all concerned in your Labs./Instts. for information, guidance and necessary action.

Sub:- Absorption of Casual workers under CSIR Casual workers Absorption Scheme 1990 and CSIR Casual workers Absorption Scheme 1995 against existing vacancies of group I & II (Technical) and group C&D (non-Technical).

I am directed to state that as per the existing instructions all the vacancies in Groups I & II (Technical and Groups C & D (Non-Technical) are to be filled only from amongst the identified casual workers. It has been observed that in spite of specific instructions from CSIR for absorption of casual workers a large number of such workers are still awaiting absorption.

In order to ensure that absorption/or otherwise of these identified casual workers is decided at the earliest it has been decided by the competent authority that such identified casual workers (Preferably from the nearest Lab./Instt. having such identified workers) to be called for test/interview may be restricted to the number of vacant posts so that those who qualify can be absorbed against the vacancies and those who do not qualify or do not appear

for the test/interview in spite of availing/given two chances, action may be taken, as per the provisions contained in para-5(e) of "CSIR Casual Workers Absorption Scheme 1990" and "CSIR Casual Workers absorption Scheme, 1995" circulated vide CSIR letters No.1(20)/86-E.II dated 4.10.1990 and 2(28)/91-E.II dated 6.12.1995 respectively. While forwarding the names of such identified casual workers for consideration, it should be ensured that the names are sent in order of seniority i.e. based on their date of engagement so that there may not be any case of discrimination.

Action to absorb the identified casual workers against the existing vacancies of Groups I&II (Technical) and Groups C&D (Non-Technical) may be completed at the earliest and details of all such identified casual workers who could not be absorbed for want of vacancies may be sent to CSIR Hqrs. for updating the list latest by 30th April 2003. Sub:- Verification of caste status of Scheduled Caste, Scheduled Tribe and Backward Class candidates at the time of initial appointment/promotion.

Attention is invited to Department of Personnel and Administrative Reforms (now Department of Personnel & Training) O.M. No.36011/16/80-Estt(SCT) dated 27th February, 1981 which provides that the appointing authorities should verify the caste status of a Scheduled Caste/Tribe candidate at the time of initial appointment and promotion against a vacancy reserved for Scheduled Castes/Tribes. The O.M. clarifies that a candidate who entered into service as an SC/ST candidate may discontinue to be so if the caste/community to which he belongs is rescheduled subsequently. A Scheduled Caste candidate ^x also loses his status of Scheduled Caste if he embraces a religion other than Hinduism, Sikhism or Buddhism. Though such officers who lose the status of SC or ST after entering into service are required to inform the Government about it, many of them do not do so. In the absence of necessary vigil, there are possibilities of non-SC/ST candidates getting benefit of reservation and various concessions in the matter of promotion. Therefore, verification of caste status at every important upturn of employee's career is necessary so that the benefit of reservation and other schemes of concessions, etc. meant for SCs/STs go only to the rightful claimants and not those who become disentitled to them. With a view to facilitating such verification, the caste/community to which the SC/ST person belongs, his place of residence and the name of the State should be pasted on the top of the Service Book, personal file and other relevant documents relating to the employee. Attention is also invited to this Department's O.M. No.36033/4/97-Estt.(Res.) dated 25.7.2003 which provides that caste/community status and creamy layer status of OBC candidates should be verified at the time of initial appointment.

2. This Department's O.M. No.36012/6/88-Estt.(SCT) dated 24.4.1990 provides that the appointing authorities should, in the offer of appointment to the candidates claiming to be belonging to Schedules Castes/Schedules Tribes, include a clause as follows:

"The appointment is provisional and is subject to the caste/tribe certificate being verified through the proper channels and if the verification reveals that the claim to belong to Scheduled. Caste/Scheduled Tribe, as the case may be, is false, the services will be terminated forthwith without assigning any further reasons and without prejudice to such further action as may be taken under the provisions of the Indian Penal Code for production of false certificates."

Likewise this Department's O.M. No.36033/4/97-EsIt.(Res.) dated 25th July, 2003 provides that in case of the offer of appointment to the candidates claiming to belong to Other Backward Classes, a clause as follows should be included:

"The appointment is provisional and is subject to the community certificate being verified through the proper channels. If the verification reveals that the claim of the candidate to belong to Other Backward Classes or not to belong to creamy layer' is false, his/her services will be terminated forthwith without assigning any further reasons and without prejudice to such further action as may be taken under the provisions of Indian Penal Code for production of false certificates."

3. It has been brought to the notice of the Government that some candidates manage to secure employment under the Government against the vacancies reserved for SCs/STs/OBCs by producing false caste/community certificates and some candidates continue to get the benefits available to the Scheduled Castes/Scheduled Tribes even after losing the status of SC/ST. The undersigned is directed to say that instructions referred to above should be scrupulously followed so that it may not be possible for any non-SC/ST/OBC candidate to secure employment or get benefit of promotion or concessions on the basis of a false claim to belong to these categories and if any person gets an appointment on the basis of such false claim, his services may be terminated as per conditions contained in the offer of appointment

4. Contents of this O.M. may be brought to the notice of all concerned.

Sub:- Intelligence Bureau clearance in respect of Indian Nationals who had stayed/have been staying abroad in the preceding five years, selected for appointment in CSIR Labs./Instts.

I am directed to state that as per the provision contained in para 5 of CSIR Circular letter No 5(2)/74-0&M dated 15.05.1997 (copy enclosed), in the case of appointment of candidates living abroad at the time of selection or who had stayed abroad during the preceding five years, clearance is needed from the Intelligence Bureau. In case the appointments are to be in sensitive area, irrespective of the rank, the extant procedure of prior detailed verification of character and antecedents will continue to be followed.

Labs./Instts. have been seeking clarification from time to time, as to whether candidates who are either living abroad or had stayed abroad in the preceding five years and who have been considered for appointment in non-sensitive area may be allowed to join duty without prior clearance from Intelligence Bureau, particularly in view of the urgent requirement of manpower to the major Projects. The matter has been examined in consultation with Govt, of India, DoPT, who have advised that prior clearance of Intelligence Bureau is necessary in case the candidate has lived abroad or living abroad even on appointment in non-sensitive Ministries/Deptts. and no exemption can be granted. Accordingly, it has been decided with the approval of DG, CSIR. that all cases of appointment where a candidate is living abroad at the time of selection or had stayed abroad during the preceding five years, prior clearance from I.B through CSIR Hqrs. is required to be obtained before the candidate is allowed to join duty.

2. Para 13 of the Office Memorandum of 29.12.2005 provides that reservation for persons with disabilities in case of direct recruitment as well as promotion for Group C and Group D posts shall be computed on the basis of total number of vacancies occurring in Group C and Group D posts as the case may be in the establishment although the recruitment of the persons with disabilities would only be in the posts identified suitable for them. Para 14 of the said O.M. provides that Reservation for persons with disability in Group 'A' posts shall be computed on the basis of vacancies occurring in direct recruitment quota in all the identified Group 'A' posts in the establishment. The same method of computation applies for Group 'B' posts.

“Thus, after thoughtful consideration, we are of the view that the / computation of reservation for persons with disabilities has to be computed in case of Group A, B, C and D posts in an identical manner viz., "computing 3% reservation on total number of vacancies in the cadre strength" which is the intention of the legislature."

4. The Hon'ble Supreme Court has, inter alia, directed that the following action be taken in order to ensure proper implementation of the reservation policy for the disabled and to protect their rights:-
 - (i) to issue an appropriate order modifying the O.M, dated 29.12.2005 and the subsequent O.Ms consistent with this Court's Order within three months from the date of passing of the judgment.
 - (ii) the "appropriate Government" to compute the number of vacancies available in all the "establishments" and further identify the posts for disabled persons within a period of three months from today and implement the same without default.
 - (iii) the DoPT shall issue instructions to ail the departments/public sector undertakings/Government companies declaring that the non observance of the scheme of reservation for persons with disabilities should be considered as an act of non-obedience and Nodal Officer in department/public sector undertakings/Government companies, responsible for the proper strict implementation of reservation for person with disabilities, be departmental proceeded against for the default.
5. Keeping in view the directions of the Hon'ble Supreme Court, Para 14 of the OM dated 29.12.2005 is modified to the following extent;

"Reservation for persons with disabilities in Group 'A' or Group 'B' posts shall be computed on the basis of total number of vacancies occurring in direct recruitment quota in all the Group A posts or Group 'B' posts respectively, in the cadre."
6. Other provisions of the OM viz. quantum of reservation, horizontality of reservation,

effecting reservation and maintenance of rosters etc, would remain the same.

7. All the Ministries/Departments/Organisations of the Government of India are requested to compute the number of vacancies available in all the cadres under their control including attached offices, subordinate offices, public sector undertakings, Government companies, cantonment Board etc. in the aforesaid manner and further identify the posts for disabled persons within a period of three months from the date of the judgment of the Hon'ble Supreme Court (i.e. 8.10.2013) and implement the same without default.
8. This is for strict compliance in accordance with the directions of the Hon'ble Supreme Court in respect of all the Ministries/Departments including their Public Sector Undertakings/Government companies, Cantonment Boards etc. Non-observance of the provisions of reservation for persons with disabilities shall be considered as an act of disobedience and the Nodal Officer concerned in Department/Public Sector Undertaking/Government company, responsible for the proper strict implementation of reservation for person with disabilities, be departmentally proceeded against for the default.
