1. All State Governments/UTs may ensure to convene regular meetings of State Coordination Committee and State Executive Committees as per the provisions envisaged under Section 13 and 19 of the PwD Act, 1995 respectively. (States/UTs)
2. Action plan should be prepared for issuance of disability certificates to all persons with disabilities in a time bound manner by each State and UT Administration. State Governments/ UT should form mobile unit of Doctors to cover all the PwDs in remote areas and ensure that disability certificates are issued to them thorough door-to-door survey in campaign mode. (States/UTs)
3. Free coaching facility for competitive examinations may be arranged for persons with disabilities on the same way as is done in the case of SCs/STs by the concerned State Governments /UTs. (States/UTs)
4. A toll free number/helpline should be provided by the Central Government, State Governments/UTs in their respective department for providing hassle free conselling/ facilitation/grievance redressal for persons with disabilities on disabilities related issues. (States/UTs/D/O E&D)
5. A Review Committee of Department of Empowerment of Persons with Disabilities may revisit the identification of posts. Broad Category of disability like "Both Arms affected" (BA) or "Both Legs affected" (BL) should be further divided into smaller sub-categories. A person having both the arms amputated and another person having both the arms of weak muscle or of short reach are kept in the same group. But the extent of their disability and capacity is very different. As a result, they are found equally not suitable for a particular post. (D/O E&D)
