Dear Sir/Madam,

Sub: Subscribers' Contribution File (SCF) pending for Matching & Booking

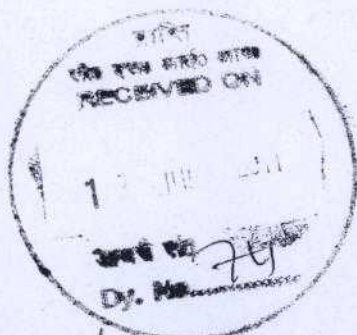

This has reference to the Subscribers' Contribution Files (SCFs) uploaded by your organisation in the New Pension System Contribution Accounting Network (NPSCAN) and pending for matching & booking (details of the same are provided in the annexure)

Please note that the Trustee Bank (TB) has reported discrepancy / not confirmed receipt of funds for the said SCF(s) and hence, the Subscriber's Individual Retirement Accounts (IRAs) have not been credited. As informed by the TB, it is not in a position to confirm the funds credited in the NPS Trust Account, as the PAO registration number and the Transaction ID have not been provided at the time of remittance of funds or due to discrepancy observed in the details of fund transfer provided in the Fund Transfer details window of NPSCAN. This has already been communicated through email. You are required to take necessary steps to enable the Trustee Bank to confirm the receipt of funds.

We would like to mention that along with the regular views and reports, 'Dashboard' is also made available in the CRA system to provide extensive and comprehensive information on status of SCFs uploaded, Subscribers' Credit analysis, Exceptional reports etc. You can login to CRA system site (www.cra-nsdl.com) using the PrAO User ID and Password and monitor the status of the SCFs uploaded.

Henceforth, you are requested to follow the procedure mentioned below while remitting the funds to TB after uploading the SCF:

- ❖ In case the funds are transferred by cheque, to submit the Contribution Submission Form (CSF) generated from CRA system along with the cheque to the Trustee Bank.

Visit our website at www.npscra.nsdl.co.in

❖ In case the funds are transferred by RTGS/NEFT, to instruct the remitting Bank (Accredited Bank of your PAO) to write PAOFIN and quote the PAO Registration number and Transaction ID in field **7495** (Sender to receiver information, line No.4) of RTGS (**R 41**) Message or in Field **7002** (Origination of remittance) of NEFT Message. The remitting bank should not put any space between the details. For example, if your PAO's Registration number is 2000353 and Transaction ID is 1001035300034 for upload of SCF, the note will appear as **PAOFIN20003531001035300034**.

❖ Provide the details of the fund transfer in the Fund Transfer Details window in NPSCAN. In case the SCF does not get Matched & Booked within 5 working days from the day the fund transfer details are provided, you may contact Bank of India at 022 26522975/976 to enable TB to confirm receipt of funds.

In case of any further clarification, you can contact Ms Rashmi Sabbanwar (022-24994887, email id – rashmis@nsdl.co.in) or Ms Reena Pokle (022-24994730 email id – reenap@nsdl.co.in)

Yours faithfully,

 **Kamalam Venkatesan**
