To,

The Directors/Heads of all

Sub: Revised qualifications of Technical Staff [erstwhile Group III(3) to Group III(7)] - reg.

I am directed to state that CSIR Service Rules, 1994, provide three Groups of Technical and Support Staff i.e. Group I & II (Support Staff) and Group III (Technical Staff). The recruitment to each Group is made on the basis of qualifications as prescribed in these Service Rules.

In order to attract and encourage induction of quality workforce into CSIR system, the Governing Body of CSIR, in its 178th Meeting held on 28th June, 2011 has approved enhancement of lateral level entry qualifications for Technical Officers i.e. from Technical Officer to Principal Technical Officer as per **Annexure-I**.

Accordingly, all recruitments to the aforesaid positions may, henceforth, be made as per revised qualifications.

It is requested that the above decision may please be brought to the notice of all concerned in your Laboratory/Institute for information and compliance.

Yours faithfully
