Sub: Option for zone wise posting of Common Cadre Officers - regarding

Sir,

I am directed to state that Common Cadre Officers often seek transfer on one or other grounds to their home town / other places. VIP references are also received in this regard. Quite a lot of man-hours are spent to address the grievances. Even then the problem continues throughout as the same is shifted from one individual to another. DG, CSIR has taken a serious view of the same and in order to alleviate the problem has advised posting of Common Cadre Officers zone wise by making different zones comprising laboratories/Institutes of CSIR.

Accordingly, it is proposed to call for options from all the Common Cadre Officers to indicate the zone he / she would like to be posted. In this regard the Labs/Instts of CSIR are grouped into six different zones as per enclosure. Common Cadre Officers posted in a zone will be transferred within the zone; however, every Common Cadre Officers will be required to serve for a full term (5 years) out of his / her zone of option in his / her career as Common Cadre Officers. Posting at NEIST will be for a period of two years as per DoPT instructions.

You are, therefore, requested to obtain options from all the Common Cadre Officers of your lab/Instts for considering him / her for posting in any one of the zone and forward to CSIR latest by 27.04.2009. However, posting of the Common Cadre Officers in his / her zone of option will be subject to availability of vacancies and public interest.

Yours faithfully,

(C. Manavazhagan)  
Deputy Secretary
