OFFICE MEMORANDUM

Sub.: Road Safety Pledge on MY Bharat Portal during NRSM 15th Jan- 14th Feb., 2024 - reg.

The undersigned is directed to say that Road Safety is an area of critical concern in the country. Every year, India witnesses around 4,50,000 road accidents and around 150,000 road fatalities, with more than 50% of road fatalities of young population. This not only leads to human suffering, but also impacts the economy adversely.

2. The active participation of every citizen is crucial for this social cause. The National Road Safety Month is being observed throughout the country from January 15, 2024, to February 14, 2024, aiming to raise awareness about road safety among the masses. The focus this year is on creating awareness amongst youth, with electronic road safety education modules on MY Bharat Portal (MYBharat.gov.in)lik online pledge, quizzes, online certifications etc.

3. It is requested that all the officers/officials of your Ministry/Department may be advised to contribute to this social cause by way of taking Road Safety Pledge on Bharat Portal during the Road Safety Month. The web link of the Pledge is <https://pledge.mygov.in/road-safety-2024/>.
