OFFICE MEMORANDUM

Subject :- Ensuring mandatory update of user profiles on iGOTkarmayogi platform by employees / MDO concerned upon leaving/joining on transfer etc - reg.

I am directed to say that one of the key mandates of Mission Karmayogi is to provide role based capacity building of government employees. Towards this end, the implementing entities under Mission Karmayogi – the Capacity Building Commission and the Special Purpose Vehicle – Karmayogi Bharat, have been working to evolve a competency based capacity building ecosystem through various measures like preparation of Annual Capacity Building Plans for each Ministry/Department/Organization (MDO), to assess competency requirements of officials and delivering appropriate capacity building products tailored to the same.

2. In order to effectively implement the mandate of Mission Karmayogi, to provide role based training to Government employees, it is incumbent upon every Government employee to update his/her user profile on *igotkarmayogi.gov.in*, every time there is a change in the users organization due to exigencies like transfer, deputation, repatriation etc.

3. As an updated user profile on iGOT is critical for effectively delivering the key mandate of Mission Karmayogi, all MDOs are requested to ensure mandatory update of user profile of their employees on the iGOT Karmayogi Platform. It is also requested that getting the iGOT profile updated may be added as one of the items to the checklist for issuing NOC to a government employee, before being relieved from the MDO.
