

4-10(39/Hqrs.)/2023-HR-II

Dated 25.07.2024

From

संयुक्त सचिव (प्रशासन)
The Joint Secretary (Admn.)

The Director/Head of all National Labs./ Instts.

Sub: - Information regarding identified casual worker in Labs/Instts of CSIR-reg.

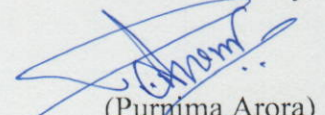

Sir,

Kind attention is invited to CSIR Casual Workers absorption Schemes of 1990 and 1995, which mandated that open recruitment for filling up entry level vacancies in Group C & D shall be banned till casual workers already engaged but satisfying the terms and conditions for regularization are fully absorbed. In this regard a letter No. 2(28)/91-E.II dated 20.05.1998 was issued stating that such vacancies should be notified to all the Labs / Instts through letters addressed to all the Directors by registered post requesting them to bring the same to the notice of all the eligible casual workers and to send back the applications received in response to the concerned casual workers, followed by another letter No. 4-2(28)/91-E.II dated 06.08.2002.

During the General Administrative Annual Meet -2023 at Goa, it was desired to review the instructions issued vide these letters, as it was felt that in majority of the Labs / Instts there is no identified casual worker yet to be absorbed under the Schemes of 1990 & 1995. In order to confirm the status of Casual Workers, a circular dated 10.04.2023 was issued seeking information regarding identified casual workers due to be absorbed under the above-mentioned absorption Schemes. In this connection all the Labs/Instts have informed that the number of existing casual workers to be absorbed is 'Nil' barring CSIR-IICB and CSIR-NBRI.

Therefore, necessary action w.r.t. CSIR circular letters dated 20.05.1998 and 06.08.2002, may be taken accordingly.

Yours faithfully,

(Purnima Arora)
Deputy Secretary
