

COUNCIL OF SCIENTIFIC AND INDUSTRIAL RESEARCH
Anusandhan Bhawan, 2 Rafi Marg, New Delhi-110 001

Opportunity to Lead CSIR's State-of-the-art National Laboratories/ Institutes

Council of Scientific and Industrial Research (CSIR) established in 1942, is an autonomous R&D organization under the Department of Scientific and Industrial Research (DSIR), Ministry of Science and Technology. Being a premier R&D organization of the country, CSIR has been contributing to the techno-socio-economic development through its varied S&T and Innovation-based interventions since its inception. With 37 state-of-the-art constituent laboratories, today CSIR is amongst the largest publicly funded innovative scientific and research organizations in the world. CSIR expertise and experience is embodied in its nearly 3,500 scientists and 4,000 scientific and technical support personnel apart from about 9,000 JRF/SRF/RA and project staff. CSIR publishes more than 5,000 papers annually in peer-reviewed international journals (SCI). Presently, CSIR has a patent portfolio of 1,418 unique patents in force in India, out of which 146 patents/patent applications have been licensed/assigned to industry. CSIR also has 958 in-force patents granted abroad in multiple countries.

According to the Scimago Institutions Ranking World Report 2025, CSIR is ranked 74th among 2123 government institutions worldwide and is the only Indian organization among the top 100 global government institutions. Further, CSIR holds 7th rank in research and 4th rank in societal category in Asia among 636 government organizations. CSIR leads the country at the 1st position in overall research and societal categories among government institutions. CSIR has ushered India into a knowledge economy while grooming and nurturing talent in various streams of Science and Technology. CSIR has the distinction of having the Hon'ble Prime Minister of India as the President of its Society. CSIR, over the period has developed numerous technologies and is presently working on various cutting-edge technological fronts to lead the nation for its dream of Atma Nirbhar Bharat.

CSIR is looking for outstanding R&D professionals to head its prestigious National Laboratories/ Institutes. This advertisement is for the position of Director of CSIR-Central Leather Research Institute (CSIR-CLRI), Chennai and CSIR- Central Road Research Institute (CSIR-CRRI), New Delhi in level 15 of Pay Matrix (Rs.1,82,200- 2,24,100) with allowances as admissible. The details are as follows:

1. CSIR-Central Leather Research Institute (CSIR-CLRI), Chennai is engaged in leather and leather products-related research and development, including product designing, involving cutting-edge use of chemical, biological and engineering sciences. The institute provides education and training in leather and allied sciences at national and international levels; and provides technology and knowledge-based services to the leather industry. CSIR-CLRI is a leader in developing leather products, leather auxiliaries, leather goods, leather-based articles and footwear. It carries out fundamental and applied research on hides, skins, collagens and tanning agents. The institute has made significant contributions in cleaner leather processing and environmental sustainability. Further, it has played a significant role in the development of human resources for this area of economic and societal

importance. CSIR-CLRI conducts Academic Programmes of B.Tech. (Leather technology) and M Tech. and PhD (Leather technology & Footwear Science and Engineering).

For more details about the institute, visit <https://www.clri.org>

2. CSIR- Central Road Research Institute (CSIR-CRRI), New Delhi is the premier R&D institute engaged in the research and development pertaining to the design, construction and maintenance of roads and runways, traffic and transportation planning of mega and medium cities, management of roads in different terrains, improvement of marginal materials, utilization of industrial waste in road construction, landslide control, road traffic safety and analysis & design, performance monitoring/evaluation, service life assessment and rehabilitation of highway & railway bridges, among others. Being a premier national laboratory, CSIR-CRRI also plays a unique role in the preparation of national standards and specifications, code of practices in all road transportation-related areas, especially on materials, geometric and pavement design of roads, road construction, maintenance management, traffic engineering, safety and socio-economic analysis. The institute offers several training and skill development programmes designed to suit the requirements of different target groups. CSIR-CRRI has strong linkages with the stakeholders, including Government Ministries and Departments. The institute maintains an active liaison with various highways research organizations both in India and abroad for the exchange of information and technical expertise. CSIR-CRRI is an ISO accredited institution.

For more details about the institute, visit <https://www.crridom.gov.in>

Qualifications, Experience and Age: -

Essential Qualifications: Ph.D. in Natural Sciences or Master's Degree in Engineering (for Engineering, Ph.D. is desirable).

Age: 45 years or above but not exceeding 56 years.

Experience: At least 16 years of experience in Research and Development (with focus on translational research) in the areas of activities of the laboratory/Institutes/Centre and demonstrated excellence in leadership therein.

Years of experience shall be computed from the beginning of candidate's research career.

Relaxation: The qualifications, age and experience can be relaxed in case of exceptionally meritorious candidates with the approval of DG, CSIR.

Candidate: Should be creative, innovative and a well-recognized scientist/technologist having a demonstrated ability to manage multidisciplinary R&D teams with excellent interpersonal relations. The candidate should have made significant contributions in terms of technology development apart from creation of IP and publications. He/ She should be able to create a conducive environment for nurturing high class research and development.

Responsibilities: The Director shall supervise and exercise administrative control on the staff of the Institute and shall be responsible for (i) realizing the mission of the Institute, and (ii) creating an environment conducive to nurture innovation and high class R&D and other S&T activities of the Laboratory/Institute in keeping with societal/industrial priorities.

Appointment: The appointment to the post of Director will be made for a tenure of six years or till superannuation, whichever is earlier, in level 15 of Pay Matrix (Rs.1,82,200-2,24,100) with allowances as admissible. The tenure period will be renewable only in exceptional cases.

Benefits: The provision to share money realized from external contract R&D, consultancy and rendering of S&T services is also available as per extant rules. Residential accommodation and transport are provided as per rules. In addition, medical and other facilities are provided as per CSIR rules.

How to apply: The application/nomination for the post with detailed bio-data highlighting scientific and translational contributions in details alongwith list of publications/patents etc. may be sent through email on email ID drc.hqrs@csir.res.in or by post to Director Recruitment Cell, Council of Scientific and Industrial Research (CSIR), Anusandhan Bhawan, 2, Rafi Marg, New Delhi-110001. A brief bio-data in the proforma given below may also be sent. The last date of the receipt of applications is **30th June, 2025**.

Format for Bio-Data

1. Name of the Laboratory applied/nominated for:
2. Name:
3. Date of Birth:
4. Current Position and Address:
5. Educational Qualification:
- 6.

Sl. No.	Degree/Certificate	Year of Passing	University/Institute	Subjects

7. Academic/Research Experience/Employment

Sl. No	From	To	Name of Organization	Position held

8. Areas of Specialization:
9. Honors/Awards/Recognitions received:
10. Professional affiliations:
11.
 - a) List of Research Publications including popular articles, if any;
 - b) List of best professional outputs/outcomes in last 10 years, relevant to present field of specialization;
 - c) Highlights of contributions to the area of specialization.
12. * Number of Books authored/edited:
13.
 - a) Number of Patents/Copy rights/Trade Mark/IPR granted/applied for & highlights of translational research contributions:
 - b) Technologies developed, Licensed and/or commercialized with details.

14. Dissertations supervised:

- a) Ph.D.
- b) Post-Graduation

15. 1-2 page summary of vision as Leader of CSIR- CLRI/CRR

16. List of 5 professional referees of high repute with whom candidate has interacted in the past.

I hereby declare that all the information mentioned above is true to the best of my knowledge.

Signature of the Applicant

Date:

Place:

* Details may be enclosed separately

Applicants are also requested to additionally fill the below pro-forma in word file format and send it along with their applications for the respective positions applied for:

Name, Address and DOB	Qualification and Specialization	Experience (in chronological order)	Honors/ Awards	No. of pub./patent etc.	List of 05 referees
-----------------------------	--	---	-------------------	-------------------------------	------------------------
