Sub: Application for outside employment during probationary period-reg.

Madam/Sir,

References have been received from various Laboratories/Institutes seeking clarification regarding the applicability of Clause 17 of the CSIR Offer Letter issued to candidates appointed to the posts of SO/ASO selected through CASE-2023, in cases where applications are made for posts advertised by UPSC/SSC/State Public Service Commissions during the probationary period.

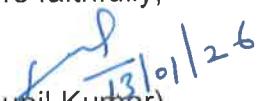

The matter has been examined with reference to the relevant provisions and has been considered by the Competent Authority. It is hereby clarified that Clause 17 of the CSIR Offer Letter shall not be applicable in cases where the post applied for has been advertised by UPSC/SSC/State Public Service Commissions.

This clarification is limited to the applicability of Clause 17 only and shall not affect the operation of any other applicable rules, terms, or conditions governing service matters. An earlier clarification issued in this regard is also enclosed for ready reference.

This issues with the approval of the Competent Authority.
