Under the Scheme, 21 Banks through 46 Central Pension Processing Centres (Annexure-'I') have been authorised till date to disburse the pension. The Bank has to select one or more of its branches to act as a Centralized Pension Processing Centre (CPPC) and submit their proposal to Central Pension Accounting Office (CPAO). After analyzing the proposal as per prescribed criteria, CPAO forwards the proposal to the office of CGA for further processing. The office of CGA after due consideration forward their recommendations on the proposal to RBI. After completion of due process, RBI formally authorizes the agency bank for disbursement of pension.

(ii) After approvals of office of CGA and RBI are received, the bank should obtain the IFSC Code and privilege code from the Reserve Bank of India (i.e. Ministry/UDCH code, Reporting Branch code & Reporting RBI code for designated branch/branches).

Para 7

(iii) Once the privilege code is received, it shall be intimated to the CPAO with the complete list of bank's branches covered under the particular CPPC. The soft copy of the list shall be sent electronically and it must contain the complete address with pin code, BSR / IFSC, phone number and other contact details of the branches in the format prescribed by NIC, Central Pension Accounting Office **(Annexure-II)**. Thereafter the process of technical development and integration of bank's software with CPAO's software will commence.

(iv) After completing technical development by CPPC, mapping of CPPC and bank branches with CPAO database, sample testing for consumption of eSSA and uploading of eScrolls will be completed in consultation with NIC team of CPAO.

(v) After completion of testing and integration with CPAO and subsequent confirmation of the same from NIC (CPAO), Data Bank Section (CPAO) will create the CPPC of the bank in CPAO's database and NIC (CPAO) will map the branches of the bank in CPAO's database.

(vi) Following the completion of the procedure mentioned above and issuance of the authorization to function as CPPC by CPAO, formal functioning of CPPC may be started.

(vii) The CPPC will thereafter receive all PPOs/ePPOs, SSAs / eSSAs from CPAO. In turn, CPPC shall start crediting the pension directly to the pensioner's account in their Pension Account Holding Branch (PAHB) after completing the necessary formalities of identification of pensioner/family pensioner with reference to KYC documents available in their CBS system and details provided in PPO booklet /ePPO by the Pay & Accounts Officer.

This is to be substituted by a suitable web service for IFSC at the earliest. This directory may be made available to CPAO for download from the webpage of CPPC on need basis. Changes, if any, may be regularly uploaded to the webpage of CPPC and intimation be sent to CPAO.

7.3 Pre-requisites for the establishment and functioning of a CPPC

7.3.1 Infrastructure

Each bank will nominate any one or more branches to act as the Centralized Pension Processing Centre (CPPC). These branches established by the bank should be equipped with adequate manpower and provided with infrastructure to support the activities matching with its scope of work. The infrastructure facilities in the CPPC should match with the requirements for all categories of pensions across Civil and Non-Civil Departments of the GoI and State Governments being dealt by the Bank.

7.3.2 Connectivity, hardware and software

Pensioners/Family Pensioners are given option for getting their pension/family pension credited to their savings bank accounts (either single account in their names or joint account with their spouse in whose favour an authorization for family pension exists in the PPO operated either by "former or survivor" or "either or survivor" basis) subject to the following conditions: -

(i) Once pension has been credited to a pensioner's /family pensioner's bank account, the liability of the Government/bank ceases. No further liability arises, even if the spouse or any other person has wrongly drawn the amount from the account.

The CPPC is to invariably maintain a consolidated digital Index Register known as the CPPC Index Register **(Annexure-XI)** which will record the list of all PPOs, SSAs & Revision Authorities received in the CPPC. This Master list should be an integral part of the CPPC Software and all events relating to the movements of PPOs, SSAs and Revision Authorities to CPAO or any other CPPC should be recorded through the system in Index Register. This would provide a tool for exercising control over the processing and movement of PPOs, SSAs /Amendments in the domain of the CPPC.

(ii) Availability of Pensioner's records in the premises of CPPC

The CPPC is to maintain pensioner-wise folder physically and electronically. The Disburser's portion of the PPOs, SSAs along with related documents is to be placed in serial order in a separate file for each Central Govt. Civil Pensioner, which must be kept in the premises of the CPPC. The files related to the pensioners/family pensioners under the purview of CPAO may be kept separately and not mixed up with the files of pensioners/family pensioners who are not in the purview of CPAO as per para 2 of this booklet. The scanned copy of the PPOs, SSAs and Revision Authorities are to be kept in the concerned pensioner's electronic folder related to pension module by the CPPC and should be viewable by the pension account holding branch (PAHB). Therefore, the CPPCs are to obtain 12 digit unique number in respect of all non-12 digit Pre-1990 PPOs from CPAO by furnishing the requisite information and documents in the prescribed format **(Annexure-XII)**. The new PPO number thus obtained from CPAO should be incorporated in all payment scrolls submitted to CPAO.

(iv) Reconciliation of Master Data (Format-M) with CPAO

The Master Data of all the pensioners/family pensioners maintained by CPPC should be reconciled with the data base available in CPAO. CPPCs are to provide Master Data of Pensioners in the Format-M **(Annexure-XIII)** by uploading the data file (Format-M) on the site https://eppo.nic.in, every quarter during the first week of the subsequent month (for example during the first week of April for the quarter from January to March). Once the file is up-loaded, CPPCs can download the outcome files from the same site. This file also contains the information about the records of CPPCs that are not being matched with the CPAO's master data. The CPPC should undertake the exercise for reconciliation of data on quarterly basis.

The undertaking addressed to the branch manager of the bank will route from Head of the Office to the CPPC of the bank through PAO/CPAO along with Pension Payment Order booklet (PPO). Therefore, the CPPC/PAHB need not insist the pensioner to separately submit the same for credit of first pension. In case either the undertaking has not been received or the undertaking received is defective, the CPPC may obtain undertaking directly from the pensioner/family pensioner. This undertaking shall also be archived by the CPPC suitably in the relevant pensioner's folder. (ii) It will not submit any unclaimed eScroll, **older than one year**, directly to RBI. It will be submitted with the approval of CPAO.

The Link Cell of the CPPC will claim reimbursement from RBI. RBI will then send the CPPC-wise daily Put-Through statement to CPAO with the same scroll date and amount generated by the CPPC for submission to CPAO. CPPC will be fully responsible to generate 'eScroll' and upload the same on the eScroll portal of CPAO, on the date on which the pension account of the pensioner is credited, in the electronic Format- 'A' **(Annexure-XVII)** and 'F' **(Annexure-XIV)** and send the daily Memo for reimbursement to the Link Cell of the bank at Nagpur (GAD, Mumbai in case of SBI). If there are warning errors in the file, those errors are reflected in a file, which can be downloaded from the same place where the Format-'A' file is uploaded. The data in Format-'A' file is the basis of further processing of the data including the reconciliation process.

13.5 Reconciliation of eScrolls

CPAO will match the figures of the payment and receipt amounts for a given 'eScroll' with the payment and receipt figures of Put - Through statement of RBI for the scroll date. If these, parameters are matching then the 'eScroll' will be accepted and migrated to the 'eScroll' database of CPAO, otherwise it will be rejected. Rejected 'eScroll' will be reflected on the 'eScroll' dashboard of the CPPC, and the CPPC should arrange to rectify the discrepancy, and upload the rectified

Para 13

'eScroll' after resolving the reported discrepancy. On successful validation, the 'eScroll' would be incorporated into the database of CPAO. Date-wise Monthly Statement (DMS) in Format-I, (Annexure XVIII) would be continued to be received in CPAO, for final reconciliation with electronic data from CPPCs and the Put-Through from RBI.

13.6 The Discrepancies

The discrepancies in the eScroll after reconciliation are communicated to the CPPC via e-mail and reflected on the website https://eppo.nic.in. Once communicated, it shall be the responsibility of CPPC to take corrective action to remove the discrepancy.

13.9 Category 'C' payments

Disburser's portion of PPO, SSA, amendment SSA, pension payment records, undertaking, nomination, etc. related to pensioners and family pensioners are maintained by the CPPC. PPO is cancelled/deactivated from the data base of CPAO for the following reasons:-

(a) Pension Payment Order is to be returned by the CPPC after the death of the Pensioner and Family pensioner:-

Pension ceases to be payable from the date following the date of death of the pensioner, thereafter the payment of family pension to the co-authorized family pensioner, if any, commence subject to the admissibility as laid down in Rule 50 of CCS (Pension) Rules, 2021. Similarly, the payment of family pension to the co-authorized family pensioner ceases either due to death or family pensioner becoming in-eligible for drawl of family pension as per terms & conditions (i.e. Marriage/Re-Marriage, earning livelihood, attaining maximum permissible age, etc.) contained in CCS (Pension) Rules, 2021 as amended from time to time. If there is, no other co-authorized family pensioner in the PPO. CPPC will return the disburser's portion of PPO along with the death certificate and other relevant documents (Nomination, SSAs, etc.) to the CPAO. CPPC will recover the overpaid amount if any, from the account of the pensioner/family pensioner in terms of the undertaking furnished by the pensioner /family pensioner. CPPC will also indicate the date and month up to which the payment of pension has been made in the PPO. CPAO on the receipt of PPO and other relevant documents from CPPC shall cancel/de-activate PPO in its database and forward the PPO along with other documents received from CPPC to concerned PAO/AG for further follow up action at their end under intimation to the CPPC.

(b) Cancellation of PPO of the Pensioner/Family Pensioner to enable PAO/AG to issue fresh PPO to the other eligible family pensioner after the death of the pensioner and death/ in-eligibility of co-authorized family pensioner.

PAO/AG will request CPAO to obtain PPO issued earlier to the pensioner/family pensioner from the bank and return the same after cancellation / de-activation for re-issuing a fresh PPO in favour of other member of family eligible for family pension. On receipt of the request, CPAO will request concerned CPPC to return the PPO along with all documents and the Last Payment Certificate. CPPC will recover the overpaid amount if any, from the account of the pensioner/family pensioner in terms of the undertaking furnished by the pensioner /family pensioner. CPPC will also indicate the date and month up to which the payment of pension has been made in the PPO. CPPC is to ensure that the PPO is returned to CPAO within 15 days of receipt of request to avoid the delay in issue of fresh PPO. CPAO on the receipt of PPO and other relevant documents from CPPC shall cancel/de-activate the PPO in its database and forward the PPO along with other documents received from CPPC to concerned PAO/AG for further follow up action at their end under intimation to the CPPC. PAO/AG should also record cancelled PPO Number in the fresh PPO issued to the family pensioner while forwarding it to CPAO for arranging family pension payments.

(c) Cancellation of PPO due to extension of service

The service of the officer is extended but in the meanwhile, the PPO of the officer has been prepared and sent to the bank along with requisite documents through CPAO for payment. In such cases, Pay and Accounts Officer will request CPAO to return such PPO after cancellation. CPAO will

obtain such PPO along-with enclosures and a certificate to the effect that no payment has been made to the pensioner from concerned CPPC of the authorized bank and return such PPO along-with enclosures and non-payment certificate to the concerned PAO after deletion from CPAO database.

(d) PPO recalled by Head of Office

In case, pension of a retired Government servant, whose PPO, has been already sent to CPPC of authorized pension disbursing bank, is stopped by the Head of Office with the approval of competent authority and PPO is recalled duly cancelled. Concerned PPO issuing authority i.e. PAO/AG, in such case will issue a special seal authority addressed to CPAO for stoppage of pension. CPAO in such case will issue necessary special seal authority to CPPC of the concerned bank for stopping the payment of pension and returning of such PPO along-with all enclosures, which were sent to the bank. CPPC on receipt of such an authority from CPAO will immediately stop the payment of pension, if being made. Thereafter, CPPC will return PPO to CPAO along with all pension documents sent to them. CPPC will also provide to CPAO a detailed statement of payment made, if any, to the pensioner against that PPO. In case no payment has been made, then CPPC will provide non-payment certificate while returning the PPO and other related documents. CPAO will send the PPO and all documents received from the CPPC to the PPO issuing authority after deletion from CPAO's database. DEARNESS RELIEF

(Para No. 21(D))

DoP&PW OM No. 45/73/97-P&PW (G) Dated: 02.07.1999

OFFICE MEMORANDUM

Subject: - Recommendations of the 5th Central Pay Commission-Payment of Dearness Relief to re-employed pensioners and employed family pensioners- decision regarding.

1. In terms of the existing orders, Dearness Relief to pensioners and family pensioners is to remain suspended during the period a pensioner/family pensioner is re-employed/ employed under the Central or State Government or in a Statutory Corporation/Company/Body/Bank under them in India or abroad. These orders are also applicable to pensioners and family pensioners permanently absorbed in a Statutory Corporation/Company/Body/Bank under the Central or State Government.

2. In Paragraph 138.21 of their Report, the 5th Central Pay Commission had recommended that Dearness Relief should be paid to employed family pensioners and re-employed pensioners in cases where their pay is fixed at the minimum of the pay scale of the post of re-employment ignoring the entire pension, and that in other cases of re-employment, Dearness Relief shall be payable on pay plus the non-ignorable portion of pension as was the case at present. The Commission had further recommended in Paragraph 141.12 that, with a view to maintaining the original value of the pension, the payment of Dearness Relief should not be suspended where pay is fixed at the minimum of the pay scale during employment / re-employment of a family pensioner/pensioner.

3. These recommendations have been considered and accepted by the Government. The President is accordingly pleased to decide as follows:

   (a) In so far re-employed pensioners are concerned, the entire pension admissible is to be ignored at present only in the case of those civilian pensioners who held posts below Group "A" and those ex-servicemen who held posts below the ranks of Commissioned Officers at the time of their retirement. Their pay, on re-employment, is to be fixed at the minimum of the pay scale of the post in which they are re-employed. Such civilian pensioners will consequently be entitled to Dearness Relief on their pension in terms of the recommendations of the 5th Central Pay Commission at the rates applicable from time to time.

   (b) In terms of the existing orders on the subject, the pay of re-employed pensioners who held Group 'A' post or posts of the ranks of Commissioned Officers at the time of their retirement is to be fixed at present.

   - at the same stage as last drawn before retirement or, if there is no such stage
   - at the stage next above the pay last drawn.
   - at the maximum of the pay scale, if the last drawn is more than the maximum of the pay scale of the post in which re-employed.
   - at the minimum of the pay scale of the post in which re-employed, if it is more than the pay last drawn.

Contd. .....

Further, the pay on re-employment is required to be fixed after ignoring only a portion of the pension [Rs. 1,500] received for the previous employment. In view of the fact that (i) the pension is taken into account in such cases and is not entirely ignored; (ii) the pay in the post of re-employment is not required to be fixed at the minimum of the scale in all cases; and (iii) Dearness Allowance at the rates applicable from time to time is also admissible on the pay fixed in terms of the orders on the subject, these re-employed pensioners will not be entitled, in addition, to any Dearness Relief on their pension.

(c) As regards employed family pensioners, since the family pension received by the eligible dependents of Central Government employees is, in any case, not taken into account in determining their pay on employment, Dearness Relief at the rates applicable from time to time shall be admissible on their family pension.

(d) While implementing these decisions, orders issued by the Department of Personnel & Training vide O.M. No. 3/1/85-Estt. (Pay-II) dated 31.07.1986 and as amended from time to time regarding fixation of pay of re-employed pensioners shall be duly kept in view.

(e) These orders shall be effective from July 18, 1997.

4. (I) In accordance with the Government's decision, referred to in the preceding Paragraph, all family pensioners, in receipt of family pension from the Central Government who were/are employed under the Central Government or the State Government or a Corporation/ Company/Body/Bank under them in India or abroad shall be eligible to draw dearness relief, at rates applicable from time to time, on the amount of family pension, with effect from July 18, 1997. A certificate may still be necessary to determine dependency. All Pension Payment Authorities, including authorized Public Sector Banks are requested to forthwith release dearness relief on family pensions in cases where this was withheld on account of the family pensioners concerned being employed. The arrears, if any, due with effect from July 18, 1997 shall also be paid.

4.(II) (a) In the case of Central Government pensioners who were/are re-employed under the Central Government or the State Government or a Corporation/Company/Body/Bank including an autonomous organization under them in India or abroad or had/have been permanently absorbed in such Corporation/Company/Body/Bank or autonomous organization, dearness relief will now be admissible to such of those re-employed pensioners who satisfy the conditions referred to in Para 3(a) above. For this purpose, the Central Government Departments concerned, including subordinate organizations, State Government, Corporation Company/Body/Bank etc. employing a Central Government pensioner shall be required to issue of certificate indicating the following:

(i) The re-employed pensioner retired from a civil or military post in the Central Government and was holding a post not included in classified as Group 'A' or a post below the rank of commissioned officer in the armed forces.

(ii) The entire amount of pension sanctioned by the Central Government was ignored in fixation of the pay on re-employment i.e. no part of the pension was taken into account in such fixation of pay in the pay scale of the post in which the Central Government retired/ retiree officer was re-employed/absorbed: and

(iii) The pay of the re-employed/absorbee was / is fixed at the minimum of the pay scale of the post in which he had/has been initially re-employed after his retirement from the Central Government.

Contd. .....

629848/2026/Policy-CSIR HQ

(b) All Central Government Ministries/Departments/Organizations shall bring these orders to the notice of all Central Government pensioners who happened to be re-employed by them as on July 18, 1997 or were/are re-employed subsequently. In cases such re-employed pensioners satisfy the conditions referred to above, the necessary certificate on the above lines shall be issued after verification from the details referred to in Para 17 of the Central Civil Services (Fixation of pay of Re-employed pensioners) Order 1986 issued vide Department of Personnel & Training O.M. No.3/1/85-Estt. (Pay-II) dated 31.07.1986 and as amended from time to time.

(c) The Pension Disbursing Authority shall release dearness relief on pension to those re-employed pensioners who submit the Certificate referred to above.

(d) In all other cases of re-employed pensioners, no dearness relief shall be admissible on pension during the period of their re-employment. Payment of dearness relief in these cases shall become admissible only with effect from the date they cease to be re-employed.

(e) The Pension Disbursing Authority shall require such a pensioner to produce a certificate of cessation of re-employment from the office in which he had been re-employed.

5. Formal amendment to the Central Civil Services (Pension) Rules, 1972 is being issued separately.

6. CPAO may take immediate action to suitably amend the relevant provision of the Scheme for Payment of pension to Central Government Civil Pensioner, including the proforma at Annexure-XVIII and notify the same to all Public Sector Banks disbursing pension to Central Government pensioners/ family pensioners. A copy of the notification may be endorsed to this department.

7. Necessary orders in respect of re-employed Defence pensioners and family pensioners will be issued separately by the Ministry of Defence.

8. Administrative Ministries may bring these orders to the notice of all subordinate organizations, autonomous bodies and Public Sector Undertakings including Nationalized banks, financial institutions, etc. under them so that the eligible Central Government pensioners re-employed in these organizations do not face any difficulty in obtaining the requisite certificate.

9. This issues with the concurrence of the Ministry of Finance, Department of Expenditure.

10. In so far as these orders relate to personnel of the Indian Audit and Accounts Department, these have been issued in consultation with the Comptroller & Auditor General of India.

ANNEXURE - XXX

(Para No. 25.1(b))

No. 1/22/2012-P&PW (E)

Government of India Ministry of Personnel,
P.G. & Pensions
Department of Pension & Pensioners' Welfare

3rd Floor, Lok Nayak Bhavan
Khan Market, New Delhi
Dated: 10th July, 2013

Offices Memorandum

Sub: (i) Payment of arrears of pension in cases where valid nomination has not been made under the Payment of Arrears of Pension (Nomination) Rules, 1983;

(ii) Payment of arrears of family pension - reg.

1. Attention is invited to the Payment of Arrears of Pension (Nomination) Rules, 1983 which provide that after the death of the pensioner, all moneys payable to the pensioner on account of pension will be paid to the nominee of the deceased pensioner. In the absence of any nomination made by the pensioner, the arrears of his/her pension are paid to the legal heir as per the procedure indicated in para 4 of part A of annexure to Ministry of Finance OM No. 1(3)-E.V/83, dated 11.10.1983. However, dependents of some pensioners expressed difficulties in obtaining the legal heir-ship certificates and represented that the necessity of production of legal heir-ship certificates may be waived where the amount of arrears payable is small.

2. The matter had been examined in Ministry of Finance, D/o Expenditure vide OM dated 04/06/1985 and it was decided that in case where a valid nomination does not exist under the Payment of Arrears of Pension (Nomination) Rules, 1983 and the dependent of pensioner is unable to produce the legal heir-ship certificate, the Payment of Lifetime Arrears of Pension accruing to the deceased pensioner may be authorized on the basis of any documentary proof regarding the relationship and heir-ship of the claimant if the gross amount of arrear does not exceed Rupees 25,000. In such cases, if the gross amount did not exceed Rupees 5,000 and case represented no peculiar features, the accounts officer was authorised to make the payment on his own authority.

3. The Government has further looked into the matter and decided to increase the limits of Rupees 5000 and 25000 as indicated in Department of Expenditure OM, dated 4.6.85to Rupees 50,000 and 2,50,000 respectively. The conditions and the procedure of payments indicated in Department of Expenditure OM dated22.10.1983 and 04.06.1985 will remain the same, which are reiterated hereunder.

4. The Pension Disbursing Authority (PDA) may receive application along with any documentary proof regarding the relationship and heir-ship of the claimant. In case the claimant is the recipient of family pension, the disbursing Officer will verify the identity of the claimant with reference to the disburser's half as well as pensioner's half of the PPO and give a certificate of having done so. PDA will duly attest the documents received from the applicant and forward the seal along with the application to the Accounts Officer. The Accounts Officer, on receipt of application along with a copy of PPO of the pensioner and other documents from the PDA, will calculate the amount of arrears and issue necessary authority for payment of life-time arrears to the disbursing authority if the case does not present any peculiar features and the amount does not exceed Rs. 50,000. In case the amount exceeds Rupees 50,000 but does not exceed Rupees 2,50,000, the Accounts Officer will obtain the

orders of the Head of Department or Administrator or the CAG in the case of pensioners from Indian Audit & Accounts Department or any Officer of that Department declared as an HOD. Payment will be made on execution of a duly stamped indemnity bond in Form T.R. 14/G.A.R. 26, with such sureties as necessary in terms of para 7 below. In case of any doubt and also in cases where the amount of arrears exceeds Rupees 2,50,000, payments shall be authorized to be made only to the persons producing the legal authority.

5. This department's OM No. 43/4/95-P&PW(G), dated 30.10.1995 stipulates that in the event of death of a family pensioner, the right to receive any arrears of family pension would automatically pass on to the eligible member of the family next in line. The requirement of succession certificate for payment of any arrears occurs only where there is no member in the family who is eligible to receive family pension after the death of the family pensioner. Therefore, it has been decided that the provisions of this office memorandum will also apply to the payment of arrears of family pension where no member of family is eligible to receive family pension.

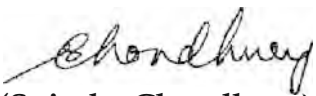

6. The Head of Department here means the Head of Department as defined in rule 2(xvi) of the General Financial Rules, 2005. However, in order to ensure that the citizens do not have to face unnecessary hardships, it has been decided that in the case of field establishments, the Administrative Ministries/Departments may delegate the power of Head of Department to the Head of Office in the rank of Deputy Secretary/Director, if felt necessary by them. It is also clarified that this OM will cover all such past cases.

7. Normally, there should be two sureties, both of known financial stability. However, in case the amount of claim is less than Rs. 75,000/-, the authority accepting the indemnity bond for and on behalf the President of India should decide on the merits of each case whether to accept only one surety instead of two. The obligor as well as the sureties executing the indemnity bond should have attained majority so that the bond has legal effect or force. The bond is required to be accepted on behalf of the President by an officer duly authorised under Article 299 (1) of the Constitution.

8. These orders will not be applicable in cases where a valid nomination exists under the Payment of Arrears of Pension (Nomination) Rules, 1983. In such cases, the payment of arrears will be authorised to be made to the nominee (s).

9. As regards pensioners/family pensioners belonging to the Indian Audit and Accounts Departments, these Orders issue after consultation with the Comptroller and Auditor General of India.

10. This issues with the concurrence of Ministry of Finance, Department of Expenditure, vide their ID Note No.568/E.V/2013, dated 28" June, 2013 and O/o Controller General of Accounts vide their ID No. 1(7)/TA-III/2011-12/Misc./116, dated13.02.2013.
