

## Loss of Admit Card

If you have misplaced your admit card but know the date and time of your test, please visit the centre and present a valid photo identification at the registration desk. If your name is on the list of candidates scheduled for the test, you will be allowed to take the test.

## Non-receipt of Admit Card

- Please ensure that you have checked for your admit card in the same email account as you gave in your application form
- If you have not received your admit card in that account, please write to [case2009@csir.res.in](mailto:case2009@csir.res.in) before 4<sup>th</sup> September, 2009, giving the following information and your admit card will be sent to the email id given, before September 9, 2009.

Name	Father's Name	Date of Birth	Category	Email ID	Phone Number

## Admit Card Despatch

Candidates were asked to schedule their test online and receive their admit cards by email. For the candidates who did not schedule themselves, CSIR has done the scheduling and sent the admit cards (see Admit Card link on home page).

Some candidates did not check their mail for admit card and have been writing to the helpdesk for admit card despatch. The helpdesk will be sending out these admit cards for these candidates before Sep 9, 2009.

## No Email ID in application form

The following is only for those candidates who did not provide email ids in their applications forms.

Some candidates did not provide email ids in their application form. CSIR has written letters to these candidates as an exception to enable them to take the Preliminary Examination. These candidates will have to provide the required information at the test centre.

*Please note that if these candidates do not provide a valid email id at the time of taking the Preliminary Examination they will not be able to receive any further communication from CSIR and therefore will be unable to take the Main Examination if they qualify.*

Please write down the email id in the form provided with the letter sent by CSIR and bring it with you to the examination centre.
