

Your opportunity to Plan, Manage & Execute R & D at CSIR

**CSIR seeks response from young and dynamic scientists
who are willing to
create new paradigm in management of R&D as part of its :**

- 1. Planning and Performance Division (PPD)**
- 2. Open Source Drug Discovery (OSDD) Programme**

Council of Scientific & Industrial Research (CSIR) is an autonomous organization under the Ministry of Science & Technology, Govt. of India. It is amongst the foremost scientific and industrial research set-ups in the world. Having state-of-the-art infrastructure and scientific & technical manpower second to none, CSIR covers practically the entire spectrum of scientific and industrial R&D of national and international importance. This ranges from aerospace to ocean exploration, micro-electronics to structural and environmental engineering, smart materials to mechatronics, petrochemicals to synthetic biology and from robotics and micro machines to drugs & pharmaceuticals and agrochemicals.

CSIR has endeavoured over the years to be at the forefront of R&D in diverse areas. In doing so, it has made concerted efforts to put in place innovative strategies and mechanisms for management of R&D.

CSIR's headquarters located in New Delhi comprises diverse S&T, administrative and finance divisions which help in functioning of its 37 laboratories and 39 outreach centres as per the mission in place.

CSIR offers positions for enthusiastic scientists with an ability to take up responsibility to Plan, Manage and Execute R&D as part of the following positions :
