

29.03.2010

Dear Candidate,

I am directed to state that due to certain technical and unavoidable administrative reasons, online preliminary examination conducted in connection with the CSIR Combined Administrative Services Examination (CASE - 2009) had to be scrapped.

2. The Selection would now be based on the performance of the candidates through a one-time online examination followed by interview both for the position of Section Officer and Assistant.

3. The positions are being re-advertised, and the candidature of the incumbents who had already applied in response to earlier advertisement will be considered based on their earlier applications and they need not apply afresh.

4. Fresh advertisement for CASE - 2009 II is available at CSIR website - <http://www.csir.res.in>

Yours Sincerely
(C. Manavazhagan)
Deputy Secretary
